### Standard of Conduct

Members of the faculty and staff are required to adhere to the standards and regulations of the school. As a team member, you are a representative of CCCLC and CCCS and you are a role model for the children and families you interact with at the center and in the community. CCCS and CCCLC employees are expected to conduct themselves in a manner that is pleasing to God. In keeping with this, employees should exercise discernment in choices related to appearance, lifestyle, and affiliations. A person must be willing to abstain from us non-medicinal drugs, drunkenness, sexual immorality, and other like activities that might bring into question their Christian walk. By your signature, you agree to maintain these standards and affirm agreement with the school's Statement of Faith.
